RE: Digital Library Reserve as a sole source provider

Dear Shelley:

OverDrive's Digital Library Reserve, Inc. (DLR) provides a series of services and digital content materials that enable public libraries to lend download popular audio book, eBooks, music, download video and other digital content via the library's website.

***Uniquely available from OverDrive's DLR as a sole source provider***, we offer:

- A customized website service for download digital materials integrated with the library's ILS system for real-time patron authentication
- Control for the library to set digital book lending policies and manage access and usage of materials
- Download eBooks capable of operating on portable PDA devices and Smartphones
- Download audio books and music with accessibility features for the blind and visually impaired
- Download audio books and music divided in parts, some with permissions for patrons to burn to standard CD
- Digital audio and eBook materials from Brilliance Audio, HarperCollins, Hachette (fka Time Warner Book Group), Weston Woods, Phoenix Audio and other publishers available from DLR
- Download video materials including documentaries, travelogues, features films and concerts for use with the same integrated desktop client that supports audio book and music titles

As Overdrive - DLR is the only vendor to offer these services and materials, we have enjoyed adoption and success as the sole source supplier of the foregoing to many of the nation's leading public library systems. Please do not hesitate to contact me for further information.

Very truly yours,

Steve Potash, CEO
